

## Club & Tech Trivia

As the Board looks forward to our 2023-24 year, we want to plan events, education & training activities, & member meeting presentations that meet our members needs.

To do this, and as your President, I am asking for volunteers to help by coming forward and serving on our Board. Spending small amounts of time each month to help plan, assist, make contacts with speakers will help us keep the club activities relevant and current for our members needs.

PLEASE give this request your consideration and contact me if you are willing,

## Membership:

The Club has 266 families (households) which is 458 individual members.

4 New memberships in July!

Gay Fritzemeier and Jane Nelson

Jean and Roger Hendren

Irene and Bob Purdy

Sandra Schmidt

Windows 10 version

22H2 build 3324

Windows 11 version

22H2 build 1992

Mac OS Ventura 13.4

iPAD OS 16.6

iPhone iOS 16.6

iWatch OS 9.4

## NEW MEETING LOCATION!!

We will meet at Lakeside Lutheran Church for our monthly meetings!

## Shop news:

An average of 31 computer devices are repaired every month at the Repair Shop.

**Is it Safe to Allow Remote Access?**

Remote access is a useful tool to allow a trusted individual access to your computer for support or other purposes. The key is that you must know and trust the individual, just as you would if you handed the computer to them. NEVER allow remote access to someone whom you don't know or who contacts you.

## Sept meeting

5 Ways Technology Changes the Way We Age.

Dr Joseph F Coughlin, Director, MIT AgeLab

## Oct meeting

How to get the most out of your old technology & Round table

## Nov meeting

How I researched my family history. Lynn Pritchard,

Send to:

[vice.president@LakeGastonCC.org](mailto:vice.president@LakeGastonCC.org)
