## Message from our President

As I step down as Club President, I want to wish each of you and your family a most blessed, happy and safe Holiday Season! There are so many folks that we, as a Club, need to thank, those critical to our operations, our Board, and others too numerous to list, (I will do my best to do this personally) but, for sure, each of us should give a “special thanks” to our dedicated “Shop volunteer Team” who week after week solve our device problems, questions and challenges. For many a member, our Shop folks are your savior.

FINALLY, A REQUEST: please stay active, in our Club activities, and give serious consideration to being a volunteer to help the Club move forward.

God bless-Doug Kolb
